**HERNDON MIDDLE SCHOOL**  
Planning and Reflection for Course Selection  
For the 2017-2018 School Year

**STUDENT INFORMATION:**

Last: \_\_\_\_\_ First: \_\_\_\_\_ Middle: \_\_\_\_\_ Student ID: \_\_\_\_\_

Students will have seven classes; four core courses, PE, and two electives. If students choose a language, they will have one more elective. Every effort will be made to place students in their first choice, but sometimes we may have to place the student in their second or even third choice. Year-long electives will get priority unless noted. Please rank your semester courses 1-6 in preferential order. If your child will receive Advanced Academics Level 4, Special Education, ESOL services, or French Immersion your child will be placed into these programs by our office. Support classes in Reading, Writing, Math and Organization are available and may be scheduled to support your child in reaching his/her potential. You only need to select a language and rank electives. You may select your preference for content classes. Use the notes section to indicate any questions or concerns you would like HMS to consider when scheduling.
